WHO WE ARE

"Our business is an extension of our family and we believe in treating everyone who interacts with us on any level as a part of our family as well." - John Balletto

ONE CUSTOMER AT A TIME - FOR LIFE.

It's more than a bottle of wine. It's family and community, social and environmental responsibility.

Balletto Vineyards meticulously farms over 850 acres of premier Pinot Noir, Chardonnay and five other varieties in the Russian River Valley. Our wines are made to be consistently elegant and balanced, with grapes grown and harvested to showcase the uniqueness of each estate vineyard.

Balletto Vineyards wines are 100% estate bottled, estate grown and certified sustainable from the Russian River Valley in Sonoma County, California. We are family owned and operated.
